

Open Access Statement – International Journal of Nurture in Education (Summer 2023)

Articles published in the International Journal of Nurture in Education are done so under Open Access. This is the condition where the copyright holder of a scholarly work grants usage rights to others using an open license (Creative Commons or equivalent) allowing for immediate free access to the work and permitting any user to read, download, copy, distribute, print, search, or link to the full texts of articles, crawl them for indexing, pass them as data to software, or use them for any other lawful purpose. Authors of articles published in the International Journal of Nurture in Education remain the copyright holders and grant third parties the right to use, reproduce and share those articles according to the terms of the Creative Commons agreement outlined above.

Authors of articles published in International Journal of Nurture in Education remain the copyright holders and grant third parties the right to use, reproduce and share those articles according to the terms of the Creative Commons agreement outlined above.
